## Professional Development Workshops

ICCC has a long history of delivering quality training and workshops across the region. Our professional development workshops are created and delivered by early childhood experts, and highlight best practice and current theories across a range of topics.

These workshops are designed for in house training and can be scheduled at a time that is convenient for your organisation (after hours, weekend, staff meeting etc.).

ICCC workshop topics include, but are not limited to:

- Quality Areas and the Quality Improvement Plan
- Creating inspiring learning environments
- Supporting social and emotional well being
- Behaviour guidance and management
- Managing staff and leadership
- Innovation in Services
- Child development
- Observation, documentation and planning
- 0 – 2's play and learning
- 2 – 5's play and learning
- Workplace Health and Safety
- Nutrition and food handling
- Hygiene
- Sustainability
- Inclusion and additional needs
- Supervising children
- Child protection
- Manual handling
- Children's health and safety
- And many more...
