

Important Student Information

Trainees and Employed (Non-Trainee) Educators

Overview of Student Training and Assessment

The CHC30125 Certificate III in Early Childhood Education and Care is an entry level qualification and requires students to show the beginning qualities of an Educator, demonstrate autonomy and judgement, and to take limited responsibility within the workplace.

Learning and assessment activities are structured to identify key concepts relative to required knowledge and skills. Under this structured learning and assessment framework, students are required to *Remember, Understand and Apply* these key concepts.

Students who successfully complete all of the requirements for a qualification are issued with the appropriate nationally recognised award. Students who complete part of a qualification are issued with a Statement of Attainment.

Entry Requirements

Students within this cohort ***must be employed in a regulated Early Childhood Education and Care service*** as either a Trainee or an Educator in a Pre-school or Long Day Care Centre (full or part-time).

In addition to this:

- Student must be a minimum age of 16 to be eligible for enrolment.
- Students need to be physically fit as the role involves providing direct personal care, lifting and other physically demanding activities.
- Working with Children Check is a requirement.

Duration and AQF Volume of Learning

This qualification requires a Volume of Learning consistent with the AQF descriptors between 1200 to 2400 hours of training.

To allow for appropriate learning opportunities and completion of required assessment, the standard duration for this student cohort is 18 to 36 months.

A shortened duration may be acceptable where the students hold higher-level qualifications or are experienced in the workplace and have most of the required skills and knowledge.

Expected Hours for Training and Assessment

As a trainee or employed educator, students enjoy the benefits of extended hours in a workplace setting. Students will need to allow approximately 4 hours per week of self-paced study in addition to workplace training and assessment completion.

Students may complete the program earlier than these timelines through RPL, CT or extended application to studies.

NOTE: Employed (Non-Trainee) Educators must provide evidence of workplace hours.

Resources and Training Materials

Students are provided with **all** learning and assessment materials required for successful completion of the course including the textbooks “Birth to Big School” and “The Big Picture”.

Types of Assessment

Students must complete **all** required tasks as part of their learning experience. This assessment evidence forms part of the overall competence judgement.

There are 3 forms of assessment used:

- Theory tasks (knowledge evidence)
- Workplace tasks (practical skills evidence)
- Observation tasks (observed skills evidence)

Education Pathway

There is a direct pathway between this qualification and a higher-level qualification.

Students may undertake a higher-level qualification such as the CHC50125 Diploma of Early Childhood Education and Care or continue their training through to a Bachelor of Teaching (EC).

Government Subsidies and Loss of Entitlement

Traineeships are subsidised by the NSW Government. Under this arrangement, trainees may be required to pay a contribution towards the cost of training through an admin fee. Traineeships are available to eligible students in NSW and are not impacted by previous qualification attempts or alternate traineeship undertakings.

The Government provides alternate funding programs for employed educators who are not trainees under the Entitlement model for Smart and Skilled. *This training is subsidised by the NSW Government.* Under this arrangement, students may be required to pay a contribution towards the cost of training through an admin fee. Entitlement programs are available to eligible students in NSW. Where students have a previous qualification or have attempted an alternate qualification under the Entitlement program, students will remain able to access subsidies but be required to pay a higher admin fee for the second qualification.

Third-Party Arrangements

International Child Care College has approved third-party arrangements in place to support the facilitation of required training and assessment. Regardless of the approved third-party arrangement, ICCC is responsible for all aspects of the training. Refer to the appendices below for further details.
